YOUR RV SITE

- Your rig will be parked perpendicular to the curb for **most** spaces.
 - **Rigs in spaces 23B/24A/24B/35A/35B must park parallel to the polo field due to the narrow road.**
- Only **ONE** vehicle parking pass will be issued for your RV space.
- The **BLACK** arrows point to the dump stations.
- The **BLUE/BLACK** arrows point to the restrooms/showers.
- There's no need to check in with Westworld RV services – Please proceed to your space.
- Important paperwork will be attached to the electrical box of your site. It will include your vehicle parking pass for in and out privileges and a paper sign with the space number. Please keep this sign to display in your window for making pumping arrangements with A-Company to pump your RV.
- Attached is an alphabetical list by last name of Lottery winners. Please find your name and space assignment, then review the attached map of parking spaces on Polo Field Way.

WestWorld prohibits the sharing of your water/electric with someone who has not reserved a space. If you do, both you and the person sharing will lose the privilege of that space.

- There are two, no-charge dump stations on the Westworld grounds – see grounds overview map.
