

RV PUMING SERVICE

RV SERVICES: There are two, no-charge dump stations at WestWorld.

- One is located between the polo field restrooms and multi-use tent on the North side of the polo field.
- The other is located in Lot N
- Please use these stations only during a time of low activity as they are in parking lots.

If you wish to have your RV pumped during your stay so that you don't have to unhook and reset, **A Company Services** will help you. Please follow the instructions below to set up service.

1 - **YOU** are responsible for contacting A Company as early as possible **PRIOR** to your requested date of service. Business hours are 7am to 4pm weekdays. Same-day requests cannot be accommodated.
