

# RV CONFIRMATION

Attached is an alphabetical list by last name of the reservation. Please find your name and space assignment, then review the additional materials supplied to aid in finding where that space is. There are a couple of maps included to help you find your way on the grounds.

**Access RV parking via the Trailer Entrance only.** (Mary Miller Drive)

Arrows in the layout indicate the suggested direction in which your vehicle should be driven so that you can back into the space. Please study the attached layout to determine the best way to access your space to back or drive in.

The map also indicates the appropriate angle at which to park your rig. PLEASE adhere to the angles shown on the map so that everyone has their fair share of the space. RVs in end spaces should be parked with the wheels as close to the side curb as possible.

**DO NOT** drive between the Warm-Up Arena and Stall Barn as show set-up will be in progress in this area. Spaces on the East side of the barns can be accessed by driving behind Barn 5.

Upon arrival, please proceed to your assigned space. We will try to 'outline' your parking space on the ground.

A paper sign listing the number and Pump Me should be displayed.

If your space contains a "W", then that space has water only.

If your self-contained space is SC, proceed to the lot with spaces 80-99/100-117.

If your self-contained space is SCBL, then your parking space is in the Self-Contained Back Lot. Look for your space assignment sign.

**RVs around 25' or less with no slides or one slide have been assigned to Spaces 11 – 36 and 51 – 58 due to the width/length that can be accommodated in those spaces.** Please park your vehicle so as NOT to impede your neighbor's use of their space. Vehicles with/without slides have been assigned spaces so that everyone can be accommodated. **If you are in an END space, PLEASE put the wheels as close to the side curb as possible to increase the space available to others in the row.**

**GENERATORS: Generator run hours are from 6am to 10pm**

If you are without electric service, please use your generator courteously and run it during the permitted hours.

**DO NOT** share your services with someone who does not have them or has not reserved a space. **If you do, you and the person sharing will lose the privilege of that space.**

## PUMPING

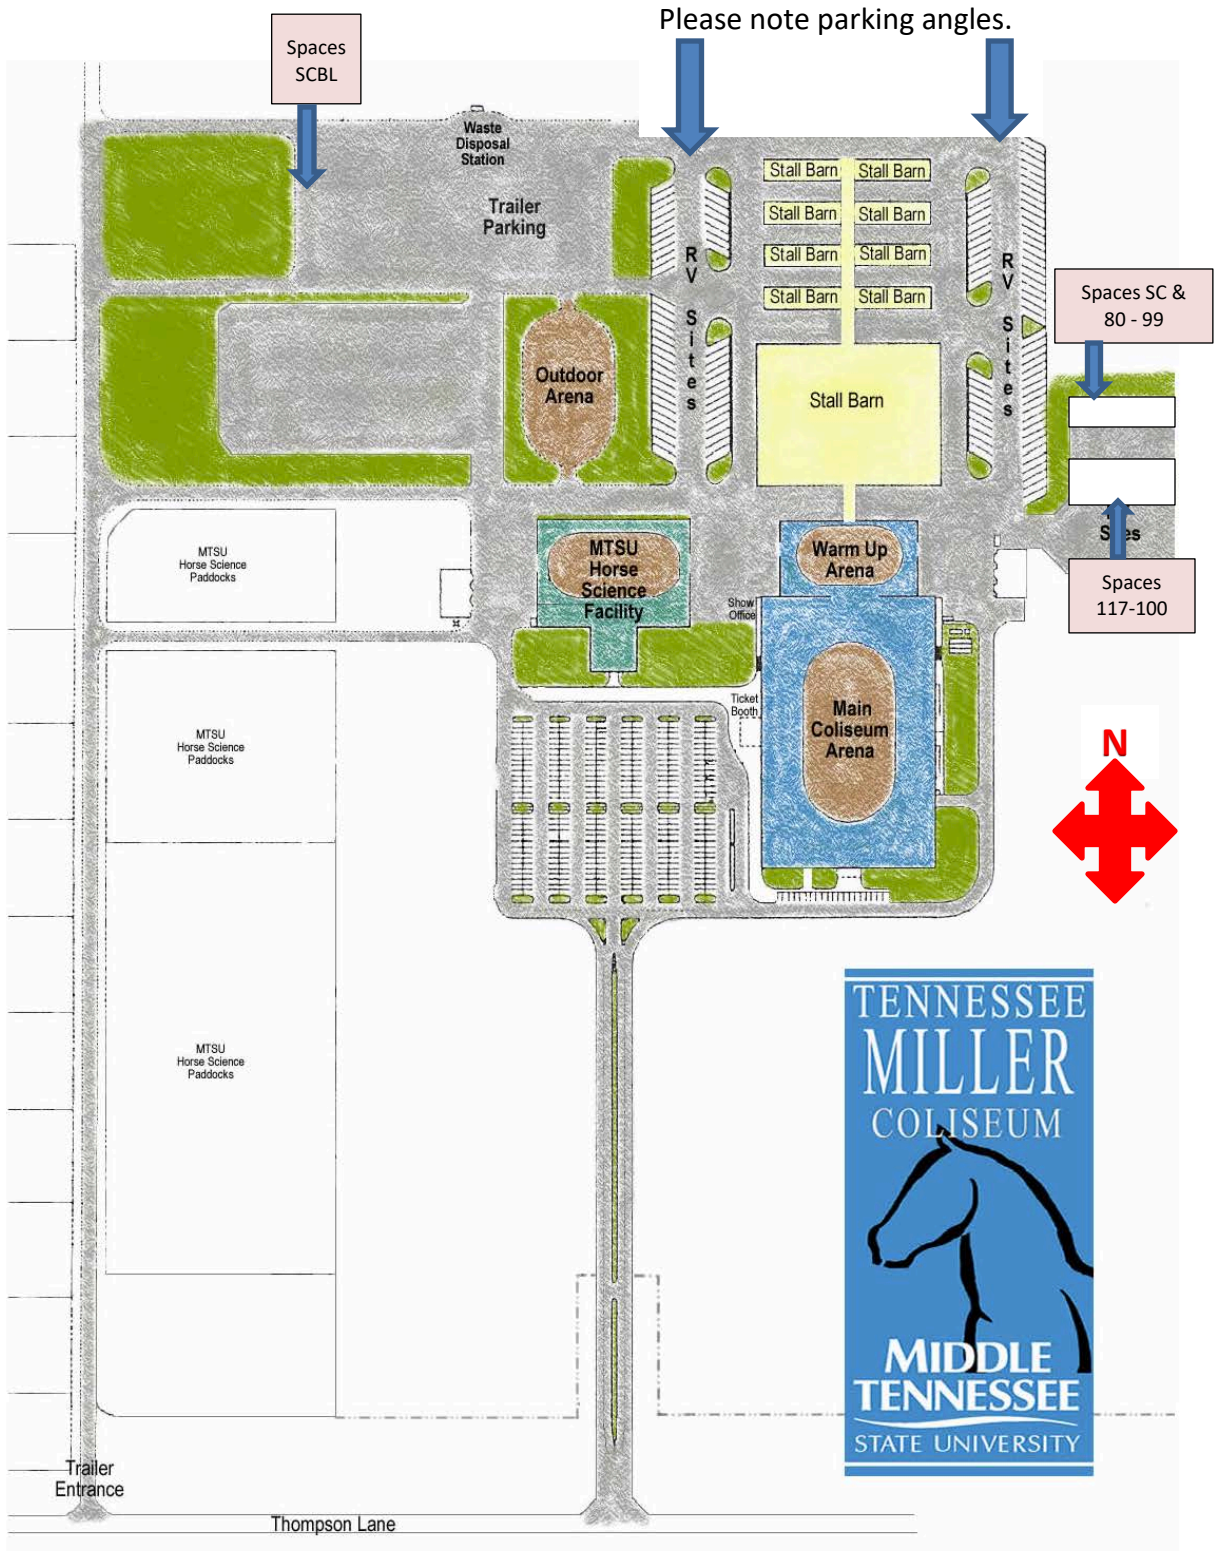

**Scott's Portable Toilets** will provide pumping service on Wednesday and Friday ONLY.

To set up service, at Tuesday check-in and on Thursday in the Check-In Office you MUST:

- 1 – Sign up on sheet(s) for the day(s) you want service.
- 2 – Place a check payable to Scott's Portable Toilets/cash in the amount of \$40 in the envelope provided for EACH day of service. **PRE-PAYMENT IS REQUIRED.**
- 3 – Write RV Space #, your name, best phone # to reach you should there be an issue on the envelope label.
- 4 – Place the sealed envelope in the receptacle marked for the day you're requesting service.
- 5 – On the date of your service, place the "PUMP ME" sign with your parking space number in your wind shield or window facing the drive so the truck driver can easily see it.

**COST IS \$40 PER PUMP.**

**YOU NEED YOUR CHECK BOOK or CASH AT CHECK-IN TO PAY FOR PUMPING SERVICE**

For a satellite view of the site, type into your browser 304 W. Thompson Lane, Murfreesboro, TN

Select Bird's Eye View. You'll see a snapshot of the Tennessee Miller Coliseum complex that can be matched up to the diagram found on this page.

You'll see access points and get a feel for the RV parking areas, main arena building and barns.

Competitor access off Thompson Lane

Paid access off Thompson Lane - \$5 per car.
