## Parking & Concessions

### Parking

Westworld of Scottsdale charges a daily rate to park Wednesday through Sunday. This fee is payable upon arrival at the site. Daily parking does not include in/out.

Competitor parking is at the East end of the show site - same level as the polo field - on paved blacktop. Be sure to bring your crate dollies to make moving in and out and daily transport of items to and from the kennel area easier.

On Tuesday at check-in Westworld will sell parking passes with in/out privileges. If checking in on Wednesday, you may purchase your parking pass upon entry. Ask the parking attendant for the parking pass, otherwise you'll pay the daily rate to park, then have to pay for the pass - they're making no exceptions.

### Concessions

You may bring your own food and beverage onto the grounds. A variety of food concessions will be available in the morning, for lunch and for evening finals classes on Friday and Saturday. No alcohol may be brought onto the grounds, but will be available on-site for purchase during select times.

Don't be tricked and miss out on a treat - Tuesday's afternoon check-in will include a tasty local treat. Look for the ticket in your trick-or-treat bag.

## Entries & Acceptance

### No Entry For Exhibition Only

No entry "For Exhibition Only" shall be accepted, except as provided for in Chapter 10 when Intro Program classes are offered. See additional note for club policy regarding dogs that measure up.

## Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

## NSF Check/Credit Card

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

## Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

## Provisional Entries

### **PLEASE SEND YOUR ENTRIES IN EARLY.**

Simply mark the "Provisional Entry" box on your entry form for any line item that is provisional, and include a separate check for each provisional item. Then email the event secretary at [cynosportsecretary@gmail.com](mailto:cynosportsecretary@gmail.com) to notify her of your dog's final status by the closing date of September 12. Write one check for:

- \$190 (\$45 for Biathlon + \$40 STP + \$85 for Team + \$20 for Warm Up)(include any kennel fees)

Any un-needed check(s) will be shredded. Any refunds will be handled on a case-by-case basis in this regard.

If you have questions about this process please contact the secretary at [cynosportsecretary@gmail.com](mailto:cynosportsecretary@gmail.com).

- > They may overrule and change the call in the ring.
- > They may add a call where none was issued by the judge in the ring.
- > They may confirm the original call, meaning that on replay it is determined that the call was correct.
- > They may rule that the original call stands, meaning not enough visual evidence on replay was available to either confirm or overturn the call.

Every competitor will be assigned to a group and all dogs being handled by a competitor will be in the same group. Groups will follow a rotation throughout the day. USDAA, the organizing committee and secretary reserve the right to arrange the class schedule and organize competitors into groups based upon maximum efficiency. It is possible that team members will not be in the same group; however, at no time should any competitor experience a conflict as their group will not be scheduled to run in two different rings at the same time.

All preliminary classes will follow a group rotation for walking each morning. No group or competitor will be allowed to walk a course after that specific class has begun. Once the walk-through time has been completed, groups will rotate through the rings based upon height.

For example:

Sally Fields and her dog has been assigned to Group G. Fluffy, 18" Championship height entered in GP Quarterfinals, Steeplechase Semifinals and Team. Sally will report to each ring as appropriate for her group and jump height as posted in the group walk/run rotation. Once Group G has completed all rotations, Sally can shop, volunteer in a ring, enjoy one of the activities or head back to her RV.

### VENDING, PHOTOGRAPHY & VIDEOGRAPHY

All vending, photography & videography, including sales of goods or services, canvassing (for sales leads or other purposes), shooting of photos and videos for any purpose, and/or distribution of literature relative to sale or promotion of any goods or services at or following the Event requires the execution of a Trade Fair Agreement identifying the nature of goods and services to be sold.

ALL PHOTOGRAPHERS/VIDEOGRAPHERS taking photographs or video at this event must be licensed as an authorized vendor for this event, even if no on-site sales are planned. Sales of products and/or services is allowed ONLY in the vending booth area, unless specifically authorized in writing, and is otherwise strictly prohibited elsewhere on the show grounds. For booth information log on to [www.cynosport.com](http://www.cynosport.com) or contact Ann Allums at 972.487.2200, Ext 103, [sales@usdaa.com](mailto:sales@usdaa.com) to obtain a Trade Fair Agreement.

Professional-style cameras WILL NOT be allowed ring-side on any day of competition unless you have signed a vending contract to take photographs. Competitors shall have the right to videotape their own performance for their personal use only; videographers who may be paid for such purpose must be a licensed vendor or register with USDAA on site. No portion of this event may be videotaped for broadcast purposes through any media. All video and broadcast rights for this event are the exclusive property of USDAA.

### WestWorld Crating Reservation Form

ALL reserved crating will be outdoors in 10' x 100' tents with 3 sides to block the sun - tents will be open on one side for access. Crating spaces are 5' wide by 10' deep and should accommodate a chair and two medium crates side-by-side (smaller crates may be stacked). Bring a shade cloth should the sun peek into your space and battery-powered fans - no electricity is available in these tents.

10' x 10' canopies may be set up in designated areas within the fenced area containing these reserved kennel spaces. Canopies cannot be secured using stakes. Gallon water jugs 'bungeed' to the legs should suffice.

Ex-pens with tops will be allowed.

The rental for each 5' x 10' space is \$65 for the duration of the event (October 30 - November 4).

If you would like to crate with a group, please have one person submit a crating reservation form indicating the total number of spaces needed along with the appropriate fee. Every effort will be made to accommodate such requests, but USDAA reserves the right to split spaces to fit in the area available.

The reservation form below must be submitted with entry or by the closing date of Wednesday, September 12, 2018.

## Grievance & Score Discrepancy Procedures

### Grievance Submission Form

This form is used by a competitor to file a grievance relative **ONLY** to scoring matters occurring in the ring that are deemed to be inappropriate interpretation of the rules or scribing error that has **ALREADY** been addressed with the judge and not resolved with the judge. Forms will be available outside the scorekeeping tent at Main Ring and shall be submitted there as soon after the run in question as possible, but no later than one (1) hour following the run. The form must be submitted by the handler and complete for consideration.

### Score Discrepancy Form

This form is used in the event the score reported differs from that which the competitor thought should have been recorded. An example would be a math error on a scribe sheet. Forms will be available outside the scorekeeping tent at Main Ring and shall be submitted there as soon after the run in question as possible, but no later than one (1) hour following the run. This form must be submitted by the handler and complete for consideration.

### RV LOTTERY APPLICATION

WestWorld is taking RV reservations only for lots F & G, which are located at the East end of the polo fields – all include water and electric. There is a dump facility located on the WestWorld grounds. Call WestWorld at 480.312.6802 and press Option 1 for fees and amenities. If there is no answer, please leave a message and someone will call you back to make your reservation. USDAA accepts no responsibility for availability or reservation policies as established by WestWorld.

If you have already pre-paid your reservation with WestWorld, you may still enter the lottery for a limited number of spaces along Polo Field Way. To enter the lottery, you must submit your credit card info/check with this form.

There are two types of RV spaces available this year, at two separate prices – all include water and 30 & 50 amps.

1. \$30/night: Twelve spaces are South of/adjacent to Lot F on Polo Field Way.
2. \$50/night: The remaining spaces are repositioned from the retention basin to the West along Polo Field Way. These spaces will be within the confines of the show site fencing.
3. **5-night minimum to participate in the RV Lottery** – October 30 – November 3. If arriving/departing on another day, your fee will be calculated for no less than 5 nights. If you are staying more nights, you'll be charged for all nights. **Note: Noon, Tuesday, October 30, is the earliest arrival for lottery spaces.**
4. 1 tow / rental vehicle per parking space
5. **Fax your form to USDAA**; 972.231.9700. Call Heather at 972.487.2200, Ext 102 with credit card info if you prefer not to put it in your fax.

All RV Lottery winners will be notified by Thursday, September 27<sup>th</sup>. You MUST confirm your space assignment when notified. Based upon the space assigned from the lottery drawing, your credit card will be charged the appropriate amount.

If you win a space on Polo Field Way, you may cancel your reservation with WestWorld without penalty. If you do not win a space, USDAA will have a wait-list in the event of cancellation until Wednesday, October 24. Your method of payment will be destroyed if no lottery space is secured.

**PLEASE DO NOT CANCEL YOUR WESTWORLD RESERVATION** until you receive confirmation of your lottery space.

Please print legibly – if we can't read the credit card info, we can't assign a space to you.
