CHECK IN:

- Competitor Check-In is in the tent adjacent to Ring 3.
- The Competitor Check-in area is small, so please leave your dogs in their kennels when checking in.
- Remember, you must check-in to confirm you are competing and if your team/pair is still intact.
- We'll also have goodies for you and will pass along any new information you'll need for the event.
- We encourage you to check-in as early as possible. Did we mention the soft-serve yogurt on Tuesday??

GROUP ASSIGNMENTS & ROTATION:

- Everyone is randomly assigned to a group.
- All jump heights may not be in each group.
- Remember to look at the jump heights in each ring, and then find your group rotation.
- Please be ready at ringside when your group is scheduled to run to avoid scoring errors.
- Remember to listen to announcements or sign up for <u>Event Alerts</u> on the Cynosport website for any scheduling changes.
- When your group's rotation is done for the day, we'd love to have you volunteer ringside, visit the vendors or check out the LAA/Top Ten presentation.
- Remember jump heights within groups may be separated into different rings, so you may run the same course in different rings depending on your dog's jump height and if they are entered in Championship, Performance, or Veterans classes.

WestWorld of Scottsdale is a Non-Smoking facility. Thank you for your cooperation in abiding by this policy.
