WELCOME TO THE 2018 CYNOSPORT® WORLD GAMES!

United States Dog Agility Association, Inc. (USDAA) and World Cynosport Limited are pleased to be returning to Scottsdale for the 2018 Cynosport World Games.

At the Cynosport World Games, you are watching real sport, and you will see competitors who have risen to the top of their game on four continents in a variety of disciplines featuring the **USDAA® Grand Prix of Dog Agility® World Championships, \$10,000 Dog Agility Steeplechase®, Dog Agility Masters® International Three-Dog Team Championships,** and **Masters Challenge Biathlon.**

We invite you to come share the experience. Your well-mannered dog is welcome to attend the Cynosport World Games with you, and there are many activities for you to enjoy together. Spectator dogs can give agility a try in our **Agility 101** ring, take the leap from the dock in our **Splash Dogs** event, or try **Herding** with the assistance of an expert instructor. You can also take a stroll together through the **Trade Fair**, and shop for dog treats, toys, and specialty items.

Complete event information can be found on the web site at www.cynosport.com, or call the Cynosport hotline at **888.AGILITY (888.244.5489)**.

I want to thank the Official Sponsor of this year's Cynosport World Games—**MAX200 Electronic Timing and Agility Equipment**—along with our many vendors, advertisers and other supporters, without whom such a huge undertaking could not be accomplished.

Please join with me in wishing all competitors success, and we hope that you will enjoy watching them perform as much as they enjoy sharing their sport with you.

Kenneth Tatsch

President, United States Dog Agility Association, Inc.
