RED ARROWS on the layout indicate the route into and through the grounds to reach the Lottery RV Spaces. This will also be your exit route.

- Proceed to your assigned space - No need to check in with the Westworld RV office.
- Park your rig perpendicular to the curb **except for spaces 23B/24A/24B/35A/35B which must be parked parallel to the curb because the road narrows.**

- **RESTROOMS/SHOWERS:** The blue legend on the map shows the location of showers and restrooms.
- **PLEASE DO NOT share your water/electric with someone who has not reserved a space. If you do, you and the person sharing will lose the privilege of that space.**

RV DUMP SERVICES There are two, free dump stations at WestWorld noted on the map.

- One is located between the polo field restrooms and multi-use tent on the North side of the polo field
