

# RV CONFIRMATION

Please find your name and space assignment on the alphabetical list, then review the additional materials supplied. There are a couple of maps included to help you find your way on the grounds.

**Access Spaces 1-42 via the Trailer Entrance (Mary Miller Dr) and the main facility entrance for spaces 43 - 117.**

Arrows in the layout indicate the suggested forward direction of your vehicle so that you can back into the space. Please study the attached layout to determine the best way to access your space to back or drive in. Keep in mind you cannot drive between the warm-up arena and Main Barn. Spaces 43-117, can be accessed by driving behind Barn 5.

The map also indicates the appropriate angle at which to park your rig. PLEASE adhere to the angles shown on the map so that everyone has their fair share of the space.

**If you are in space 1, 26, 36, 37, 42, 43, 51, 58, 59, 68, 69 or 79 PLEASE place the wheels of your rig as close as possible to the curb.**

Upon arrival, please proceed to your assigned space. We will try to 'outline' your parking space on the ground.

A paper sign with the space number and "Pump Me" will be attached to the hook up for your RV  
If your self-contained space is SC, proceed to the lot with spaces 80-99/100-117.

**Space assignments have been made based upon the length of each RV, the lack of slides/number of slides and where each can best be accommodated. Special requests have been fulfilled as possible.**

Please park your vehicle so as NOT to impede your neighbor's use of their space.

**Generator run hours are from 6am to 10pm.** If you are without electric service, please use your generator courteously and run it during the permitted hours.

**DO NOT share your services with someone who does not have them or has not reserved a space. If you do, you and the person sharing will lose the privilege of that space.**

**If there is a problem with your space, please alert someone at check-in or at the announcer's booth so the facility can be advised. Please do not move into someone else's space.**

## ON-SITE PUMPING SERVICE

**Scott's Portable Toilets** will provide pumping service on Wednesday and Friday ONLY.

To set up service, at Tuesday check-in, Wednesday at check-in or Thursday check-in you MUST:

- 1 – Sign up on sheet(s) for the day(s) you want service.
- 2 – Place a check payable to Scott's Portable Toilets/cash in the amount of \$40 in the envelope provided for EACH day of service. **PRE-PAYMENT IS REQUIRED.**
- 3 – Write RV Space #, your name, best phone # to reach you on the envelope label should there be an issue.
- 4 – Place the sealed envelope in the receptacle marked for the day you're requesting service.
- 5 – On the date of your service, place the "PUMP ME" sign with your parking space number in your wind shield or window facing the drive so the truck driver can easily see it.

**COST IS \$40 PER PUMP.**

**YOU NEED YOUR CHECK BOOK or CASH AT CHECK-IN TO PAY FOR PUMPING SERVICE**

**COMPETITOR**

**FINAL AS OF 10/3**

Wait List for 50 Amp
Any request for 50 amps not fulfilled
is on the wait list should one become
available.

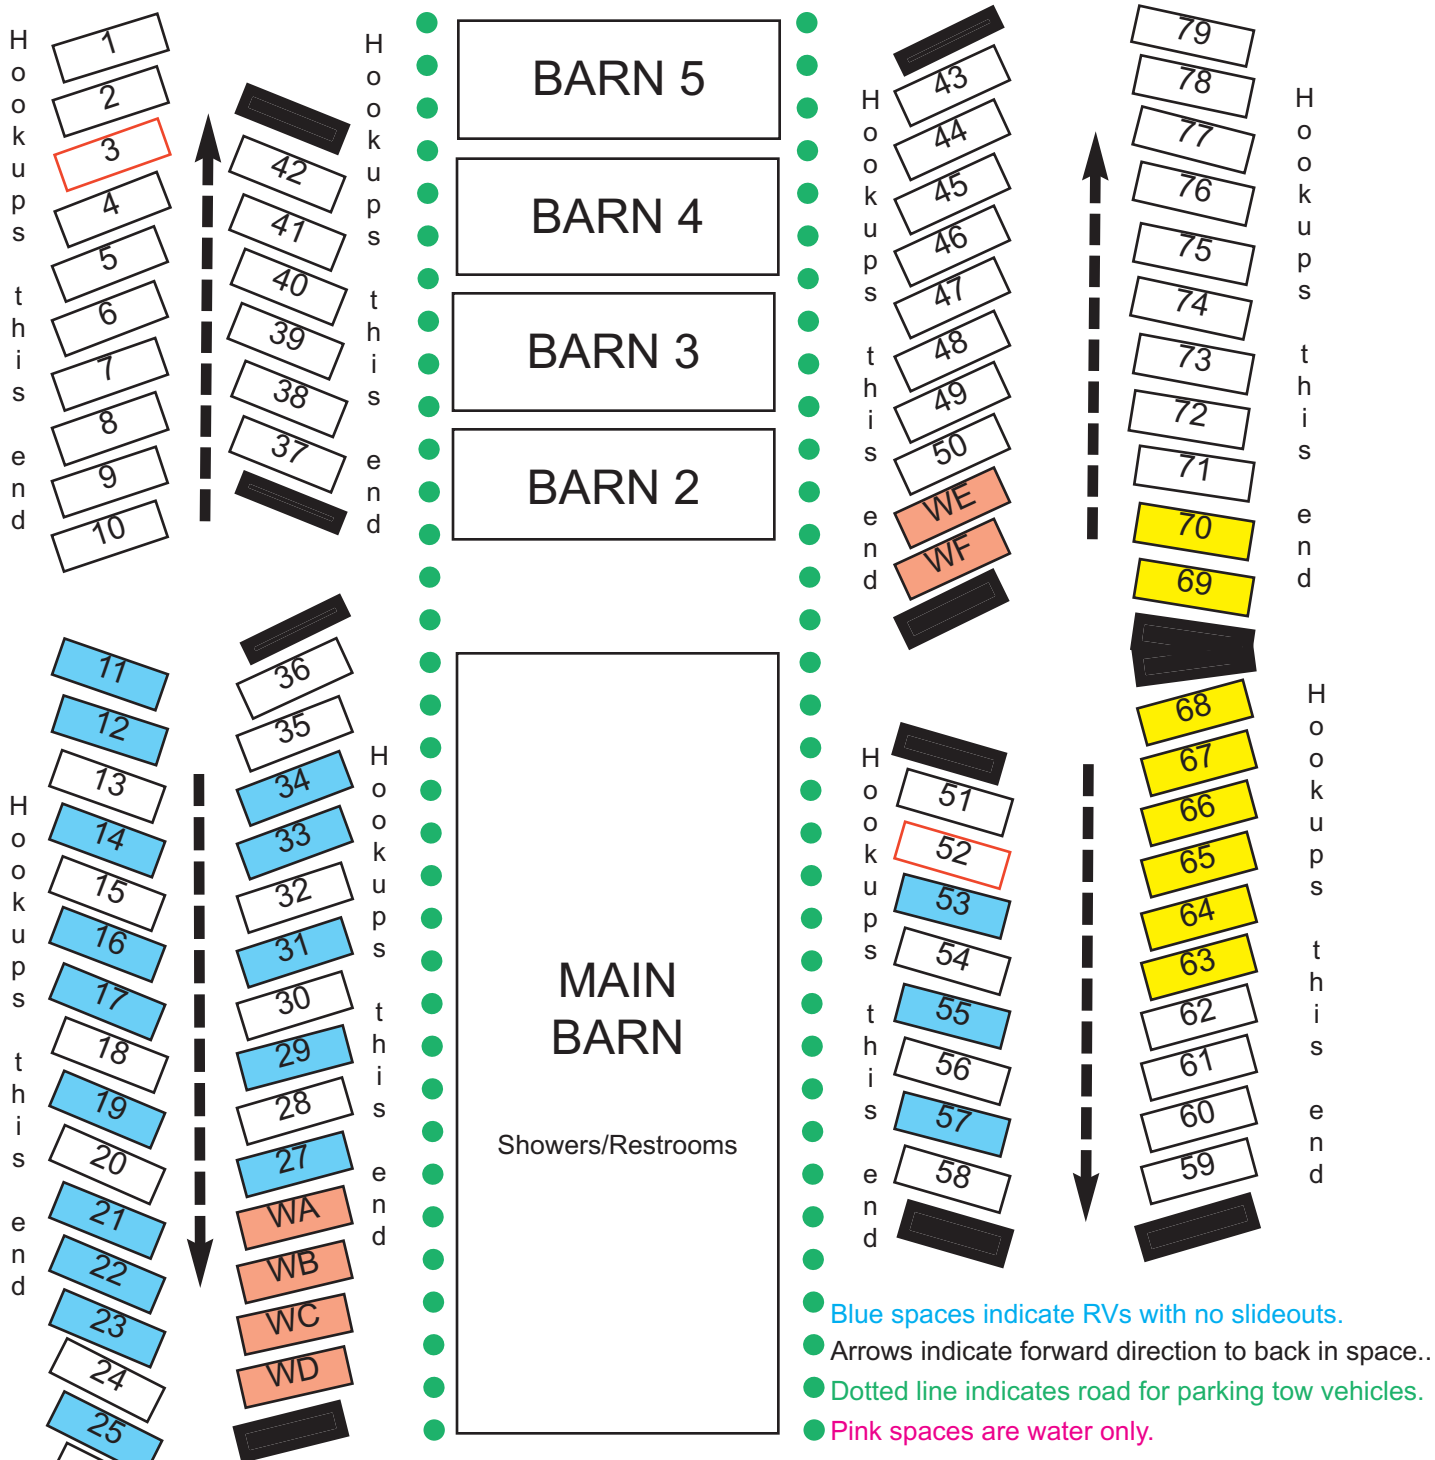

\*All spaces must be vacated on Monday, October 28th.

For a satellite view of the site, type into your browser 304 W. Thompson Lane, Murfreesboro, TN

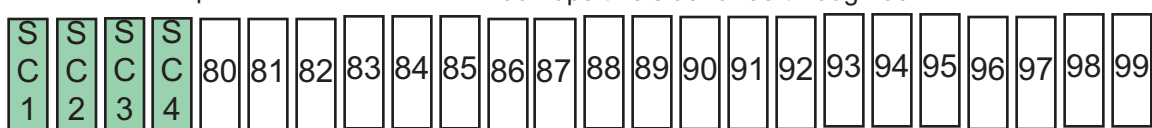

Select Bird's Eye View. You'll see a snapshot of the Tennessee Miller Coliseum complex that can be matched up to the diagram found on this page.

You'll see access points and get a feel for the RV parking areas, main arena building and barns.

- Blue spaces indicate RVs with no slideouts.
- Arrows indicate forward direction to back in space.
- Dotted line indicates road for parking tow vehicles.
- Pink spaces are water only.
- Yellow spaces have 50amp service.
