

# 2022 Cynosport® World Games Check-In / Groups / Schedule

Thank you for entering this year's Cynosport World Games! Please bookmark <http://www.cynosport.com/2022-competitor-information/> for updates.

**CONFIRMATIONS:** Carefully check your final confirmation to confirm all information is correct. If you have any questions, please email Helen at [cynosportsecretary@usdaa.com](mailto:cynosportsecretary@usdaa.com).

**\*\*If your team has broken up, please notify the secretary. Please do not recruit a replacement prior to meeting with the secretary, as one may already be available.**

Saturday	7am	_____	9:00am	9:15am	10:15am
Sunday	7am	_____	8:00am	8:15am	9:00am

**Please Note:** USDAA rules state for all tournament events you must check-in before your first run. You are encouraged to check-in as early as possible or you may encounter walk-through conflicts. Unfortunately, special walk-throughs cannot be accommodated.

### EVENT CHECK IN:

- Competitor Check-In is in the tent on the West side of the Main Ring.
- The Competitor Check-in area is small, so **please leave your dogs in their kennels** when checking in.
- Remember, you must check-in to confirm you are competing and if your team/pair is still intact.
- We'll also have goodies for you and will pass along any new information you'll need for the event.
- We encourage you to check-in as early as possible.

### GROUP ASSIGNMENTS & ROTATION:

- Everyone is randomly assigned to a group. All jump heights may not be in each group.
- Remember to look for your group rotation in each ring, and then find your jump height in each group.
- Please check in on **Agility Gate** during the walk-thru period and be ready at ringside when your group is scheduled to run to avoid scoring errors.
- Remember to listen to announcements or sign up for Event Alerts on the Cynosport website for any scheduling changes.
- When your group's rotation is done for the day, we'd love to have you volunteer ringside, visit the vendors or check out the LAA/Top Ten presentation.
- **Remember** – Groups within a given class are split across different rings based on jump height, so you need to pay attention to which ring your jump height in your group is running in – regardless of program (i.e. Championship, Performance or Veterans).

WestWorld of Scottsdale is a Non-Smoking facility. Thank you for your cooperation in abiding by this policy.
