

2016 Cynosport® World Games Competitor Information

Thank you for entering this year's Cynosport World Games! We're thrilled to be back in Scottsdale and want to make this year's event the best one yet! Here are a few reminders about WestWorld and how the event will work this year. Please read it carefully.

HELPFUL TIPS

- WestWorld has strict policies prohibiting smoking and alcohol on the show grounds. Smoking and outside alcohol is not permitted on the show grounds at any time. Alcohol may be purchased from the vendor throughout the event.
- Please do not enter the show site each day until the doors are officially open. We are busy preparing for the day's activities to ensure a smooth running event.
- Listen for announcements and sign up for [Event Emails](#) on the [Cynosport website](#) for any changes to the schedule. The walk and run schedules will also be posted ringside and in the crating area. Course maps will be available at a designated, central location each morning and on Cynosport.com
- Please wear your wristbands! This allows you and your family access to the competition and crating areas which are separated from the general public access.
- Only official Cynosport staff carts and handicapped-permitted carts are allowed on the polo fields. Please register for a handicap cart permit at check-in.
 - Personal, motorized vehicles and golf carts may be used to go back and forth between your car/RV but they must remain outside of the show grounds.
- Remember to keep valuables out of plain sight at all times.
- Please support our vendors! Competitors can only sell or provide services on the show grounds if they are an official vendor of the event.
